I will be in the building tomorrow. I'll pick it up.

I know you have been swamped and have been unable to come to us or the FBI to personally review the electronic evidence/data available for your review. However, I was informed that FBI made a forensic copy of Item #31 (which, consists of a Cell phone, Optima 56GB, Thumbdrive, Sim Card, External Hard drive).

Item #31 is available for you to pick up at our Office tomorrow, or I can have it sent FEDEX to whatever location you wish.

Please let me know your preference. Thanks –

Dustin
